

PLAY DOUGH ACTIVITIES

I play with my play dough, see what I make
 I play with my play dough, I make a cake
 I play with my play dough, I shape and I mold it
 I play with my play dough, I bend and I fold it
 I poke it and punch it
 I roll it and scrunch it
 With a squeeze and a pat
 I squash it down flat.

PLAY DOUGH RECIPE (for classroom use, double the batch)

Materials;

Combine 2 ½ cups flour
 ½ cup salt
 1 Tablespoon Alum powder
 Combine 2 cups boiling water
 2 Tablespoons cooking oil
 Food colourning

Process;

1. Combine the wet and the dry ingrediants.
2. Knead in additional flour until smooth
3. Store in an airtight container.

Extensions;

1. Have various items (lego blocks, forks, kitchen masher etc) plastic animals or cars on hand for the children to press and see the various textures, foot prints or tracks.
2. Rolling pins and plastic knives for making cookies, cakes, etc
3. Try adding fragrance (vanilla, citrus, cinnimon, etc)
4. Try kneading in a texture (vermiculite, rice, sawdust other grainy items)
